Communicating with Camp

You have placed a great deal of trust in our ability to care for your son. We value this trust and will do everything possible to ensure a successful summer experience for your child, as well as a harmonious relationship with you.

Please call or email us with any detail or question regarding your son!

During the day, we spend very little time in the office. We stay in close contact with the campers by spending time with them at activities and programs. In almost all cases, if you were to receive a sad card or note, by the time you receive it, any issue has been long resolved. We prefer to attempt to solve problems during the summer instead of hearing about difficulties after the summer has ended. If you become aware of something negative during the summer, please bring it to our attention.

Camp Phone: 715-362-2000

Baggage Shipment

FOR CHICAGO AREA CAMPERS

All campers must ship their baggage to camp with Camp Baggage Express. CBE is our baggage carrier and has been in operation for more than 30 years. CBE is the most efficient and reliable way to transfer camper baggage.

Camp Baggage Express will pick up duffels a few days before the start of camp. You will be contacted a week or two in advance with pick-up information and schedules. Camp Baggage Express can be reached at **605-290-7404** or email to campbags@abe.midco.net. There will be a \$150.00 fee each way per camper for any duffels put on the bus.

Duffels will be shipped home via Camp Baggage Express and be delivered to your door a few days after camp ends.

FOR OUT OF CHICAGO AREA CAMPERS – USE FEDEX OR UPS

Please contact FedEx or UPS to review your shipping options, including Express or Ground services. When shipping with FedEx or UPS please secure the zippers on all duffels with a zip-tie. Once you have shipped your child's baggage, please enter your tracking information on his Camper Travel Form online.

Please pre-pay for return labels and send them to camp. As they can easily get misplaced, please do not put them in your son's duffels.

Please note: Duffels should arrive few days before your son.

SENDING BAGGAGE HOME

If we do not have return labels, we will ship your son's duffels to your home via FedEx and charge his canteen for the cost. If you have an alternate address or a FedEx or UPS number for us to use, please let us know before his departure from camp.

What to Bring and NOT to Bring

Clothing and Equipment

Everything Camper is the official outfitter for all Horseshoe gear. All required logo'd items must be purchased through Everything Camper. Shop online at www.everythingcamper.com/CampHorseshoe or call Everything Camper: **516-450-5288**. A copy of our packing list is enclosed and can also be found on their website.

Remember, laundry is done weekly by a laundry service and returned within 48 hours, so your son does not need a tremendous amount of clothing. The amounts specified on the packing list are sufficient.

Although we have an excellent laundry service, it is still camp laundry. Please do not send any clothes you would be concerned about if they were to get damaged in the laundry.

Please remember to label all clothing, shoes and equipment with your son's first and last name. Don't forget to label the laundry bags, hockey equipment, tennis racquet, baseball glove, and clothing worn on the bus.

Also remember to send two sets of labeled twin sheets for your son, including a fitted sheet, a flat sheet, mattress pad and a pillowcase. Bedding will be changed once a week and will be washed with your son's clothing.

Personal Expenses & Spending Money

Each camper has a prepaid canteen account (included in tuition) of \$250 for 8 weeks or \$150 for 4 weeks. Items provided through the Canteen Account and Trip Fee include:

TRIP DAYS: Throughout the summer campers will go on day trips to various attractions in the Northwoods including bowling, movies, water parks, and more! Admission to these attractions as well as spending money for each camper (generally \$5-10) is included.

PERSONAL ITEMS: Campers needing to restock on toothpaste, shampoo, batteries, postage or other essentials can do so in the camp office.

SPENDING MONEY

Even though your son's Canteen Account and Trip Fee covers the basics on trips and trip days, we suggest sending the below amount for souvenirs, etc.

SUGGESTED AMOUNT

PIONEER (current 2nd & 3rd graders)	\$10 per session
WOODSMAN (current 4th graders)	\$10 per session
FORESTER 1 (current 5th graders)	\$10 per session
FORESTER 2 (current 6th graders)	1st session \$50/2nd session \$10
GUIDE (current 7th graders)	1st session \$10/2nd session \$75
RANGERETTE (current 8th graders)	1st session \$75/2nd session \$25
CABIN 13 (current 9th graders)	1st session \$50/2nd session \$30
CABIN 14 (current 10th graders)	1st session \$30/2nd session \$75

This is in an attempt to ensure that every camper has spending money and that is not kept in the cabin.

Please send a check made out to CASH prior to April 1st to PO Box 1938, Highland Park, IL 60035. We will put the cash into an envelope for your son and he can withdraw before leaving camp on a trip. Any money that is not spent will be returned to his canteen account at the end of the session.

Electronics, Cell Phones and Extra Items

If the item can send or receive emails, text messages, phone calls, play video content or access the Internet, they are NOT permitted at camp. **THIS INCLUDES PHONES WITH THE SIM CARD REMOVED.** These items detract from the camp experience and can create a personal world for a camper that can impede the development of new camp relationships. Camp is a place where kids can go to disconnect from media and technology and have a chance to make their own decisions. This allows campers to gain confidence by acting on their own and developing skills that are essential to becoming healthy, productive adults. We believe this emerging independence is one of the greatest benefits of camp.

Parental cooperation is critical and sends the right message to your son.

If a cell phone or other item not permitted is found in camp, we will hold it in the office and return it at the end of the summer, no exceptions. Phones will NOT be returned on Visiting Weekend for full session campers.

We are not responsible for damage and/or loss of these items.

We ask for your help in making sure that your son does not bring his cell phone or other unapproved device to camp, by asking him to give it to you before getting on the bus.

Your son may bring an inexpensive MP3 player or iPod Nano if he would like to listen to music. These items may only be used in the bunks at rest hour or at night. Please note that if the iPod or MP3 player has the capacity to play videos, **ALL VIDEOS MUST BE REMOVED BEFORE CAMP.** These videos can be erased from the handheld device. Any iPods or MP3 player that have video content will be taken and held in the office.

We are not responsible for damage and/or loss of these items. These are expensive items, so please give proper thought before packing them.

For privacy reasons, cameras will not be allowed to be used in the cabins.

Health Guide

Health and Safety

Our highest priority at camp is your son's health and safety. With this in mind, we have prepared this Health Guide to help you better understand our health and medical policies. Please carefully review information on the following pages regarding our health and medical policies and procedures.

This summer we are again partnering with CampMeds, a pre-packaged medication program to provide all medication your son will need.

In fairness to our counselors, health care staff, and your child(ren), we need to make informed decisions about all of the young people we invite into our community and family. "Family secrets" serve

no one. Our purpose in having pertinent health information, both physical and emotional, is to be able to better serve each child. We must expect that parents or guardians of any child sent to Camp Horseshoe have provided us with all the necessary information we need to keep all children safe.

We look forward to continuing the caring partnership we value as caretakers of your children.

If your child has been exposed to any communicable disease including lice after May 25th please be sure to communicate this information with us.

Health Center Q&A

HOW IS YOUR HEALTH CENTER STAFFED?

Our Health Center is staffed by 3 resident nurses. Our medical staff operates the Health Center with the utmost professionalism, providing each camper with the necessary care and compassion. Camp Horseshoe is located 15 minutes away from St. Mary's Hospital and clinic.

WHEN WOULD MY CHILD SEE THE DOCTOR?

Our nursing staff treats most health center visits. When our nurses determine a child should see the doctor, we schedule an appointment.

HOW WILL I KNOW IF MY SON IS NOT FEELING WELL OR IS SEEN BY THE DOCTOR?

We will contact you under the following circumstances:

- The day after your son spends the night in the Health Center
- When your son sees any outside medical professional

Rest assured, we will contact you when we feel you need to be involved.

HOW MUCH OVER-THE-COUNTER (OTC) MEDICATION SHOULD I SEND TO CAMP?

None. We want our medical staff to see every scrape and bruise, no matter how small. Please don't send any OTC meds. Our Health Center is well stocked with most OTC medications.

WHAT ABOUT PRESCRIPTION AND DAILY MEDICATIONS?

If your child will be taking medication this summer, including all prescription, non-prescription medicine taken daily or as needed, as well as vitamins, you must register online at www.campmeds.com and return all required materials (prescription forms, health insurance information, etc.) to CampMeds 30 days before his camp session begins.

WHAT ABOUT INHALERS AND EPI-PENS?

Epi-pens and Inhalers DO NOT need to go through CampMeds. If applicable, please send TWO inhalers or Epi-pens for your child for the summer. One will stay in the Health Center and one will be packed when your child leaves camp on a trip. They must be in the original packaging with the original prescription label and sent to camp before your son arrives.

WHAT KIND OF MEDICATION CAN MY SON KEEP IN HIS CABIN?

NONE! The American Camp Association and Wisconsin Department of Health and Family Services require all camper and staff medications be kept in the Health Center.

WHAT SHOULD I DO WHEN MY SON RETURNS HOME?

Upon his return home, we suggest you check in with your child and, if there are any changes in, or concerns about their health, you contact your personal medical professionals and also communicate with us.

Any camper with daily prescription medication, non-prescription medication or vitamins who does not use CampMeds will be charged a \$150.00 fee

CAMPMEDS INC.

This summer we will again be working with CampMeds Inc. to provide the convenient service of dispensing, packaging and shipping medications directly to camp.

Our policy and procedure for dispensing and administering medicine **REQUIRES** camp families to have all of your son's medicine to be dispensed by CampMeds and sent to camp prior to their arrival. This includes all prescription, non-prescription medicine taken daily or as needed, as well as vitamins.

Medications that are in pill form are individually packaged and sealed according to date and time of administration. This method of dispensing medicine during camp minimizes potential medicine errors, ensuring that every camper gets the correct medication and dosage at the right time.

We want to be clear that we do expect **100% participation from families with campers who will need prescription, non-prescription medicine taken daily or as needed, as well as vitamins while at camp.** The only exception to this procedure is if CampMeds notifies us that they are unable to accept your insurance.

IF YOUR CHILD will be taking prescription, non-prescription medicine taken daily or as needed, as well as vitamins while at camp this summer, you must register online at www.campmeds.com and return all required materials (prescription forms, health insurance information, etc) to CampMeds 30 days prior to your camper's start date. Any camper with daily prescription medication, non-prescription medication or vitamins who does not use CampMeds will be charged a \$150.00 fee.

Epipens and Inhalers DO NOT need to go through CampMeds. If your camper does not take medication or vitamins, you do not need to register with CampMeds.

We are confident that this program continues to help us achieve our primary goal; the health, well-being and safety of your child.

HOW TO REGISTER WITH CAMPMEDS

The *CampMeds* affiliated pharmacy will dispense *all prescription and non-prescription meds and vitamins taken daily or as needed.* What you need to do:

1. Register on www.CampMeds.com and print receipt—you may register prior to obtaining prescriptions
2. Obtain original written prescriptions or Electronic prescriptions (E-scripts) prescribed for 30 day increments. If your child attends camp over 30 days, Rx's must have a refill.
3. **Written Prescriptions** - Complete med list page and forward to **CampMeds** with written prescriptions.
4. **Electronic Prescriptions** - Complete med list page noting "E-scripts to follow" and forward to CampMeds. Pharmacy details regarding Electronic prescribing (E-scripts) will be printed with your registration receipt.
5. **Controlled Substances only:** If your child is staying longer than 30 days, law requires a new Rx for each 30 day supply. Two separate 30 day Rx's are required for Controlled Substances. Send all prescriptions together. We must receive the original Rx or electronic prescription from physician.
6. **IMPORTANT:** Prescriptions are filled as written. It is your responsibility to confirm the correct medication, dose and exactly how and when your child takes the medication as prescribed.
7. Write Camper ID # on top corner of prescriptions. *Do **NOT** send us medicine, only the written Rx.
8. Include a copy of both sides of your insurance/prescription card
9. Mail written prescriptions, registration receipt and copy of insurance card directly to:

CampMeds PO Box 550698, Ft. Lauderdale, FL 33355-0698

Fees: There is a one-time registration fee for the entire summer which will be charged to your credit card immediately upon registration. **Fees are per camper, not Rx, and do not include the cost of medicine.

- Fee for campers attending up to 30 days of camp is \$55 including shipping
- Fee for campers attending over 30 days of camp is \$65 including shipping
- **NON-PILL MEDS ONLY** (liquids etc.) a one-time \$35 per camper will be charged instead of above packaging fee.

Deadlines: 30 Days Prior to Your Camper Start Date

A \$25 late fee will be charged to your credit card if any of the items above are received after deadlines.

Please be aware that your credit card will be charged any additional shipping cost for medication prescribed after your child's initial medication and/or refills have been sent to camp.

Email Notification: You are notified by email when CampMeds receives your online registration, when your prescriptions are received and when meds are sent to camp. Contact us if you do not receive a confirmation email within one week of sending prescriptions.

Insurance/Prescription Meds: The CampMeds pharmacy partner accepts most insurance plans. They will verify your insurance upon registration and submit to your plan once camp begins. You are responsible for all copayments, deductibles, meds and written prescriptions not covered by your insurance. *If the pharmacy is not a provider for your insurance, we will notify you to arrange alternative plans. All med charges will appear on your credit card statement from the Pharmacy usually after your child returns home.

OTC Items and Meds Not Covered by Insurance: Will be charged to your credit card by the Pharmacy.

Please refer to our website www.CampMeds.com for registration and important details. For questions contact CampMeds at **954-577-0025** or info@CampMeds.com. Important CampMeds FAQ's can be found in the Forms and Documents section of your CampMinder account.

Communication with your son

Letters

We believe in old-fashioned letter writing at Camp Horseshoe. Campers love to get mail, just like parents love to get mail. We try and have our campers to write home twice a week, usually on Tuesday and Saturday. We recommend sending pre-addressed, stamped envelopes for our younger campers. Remember, our rural post office is swamped in the summer and mail sometimes takes a week to arrive home.

When writing to your son, a good way to start every letter is to discuss camp activities, especially the ones your child has mentioned to you in his letters. Comments such as "How's your basketball coming along?" or "Your counselor sounds great," will help your son adjust to the newness of camp and show that you have truly listened to what your child has said.

Try and avoid phrases such as "The house seems empty without you," and "If only you were here." Although these sentiments may be true, they can only make your child miss you more. A better way to express your feelings might be to say, "We'll have to try out that great backhand when you get home," or "By August, you'll be able to teach me how to golf."

When you receive letters from your son, remember camp life has its ups and downs, just as life at home, and the child who today, "hates Steven who sleeps next to me" may tomorrow think, "Steven will be my best friend forever." Call us if you are concerned. Most of the time, the problem was resolved long before you received the letter!

Finally, save the letters your son sends you from camp. Years from now, you will be able to read them together and relive those childhood memories. We are sure you will discover that Camp Horseshoe is more than a summer camp; it is an experience of a lifetime.

The mailing address for your son is:

Camper's Name

Camp Horseshoe

***Your Son's Cabin Number**

4151 Camp Bryn Afon Rd, Rhinelander, WI 54501

**we will email his cabin after the buses arrive*

Please do not hesitate to call Fran, Jordan or your son's counselor with any questions you may have. The number at camp is: **715-362-2000**.

Faxes

Please do not fax letters to your son. Faxes will not be delivered to campers. Please let all relatives know of this policy.

Package Policy

CAMP HORSESHOE HAS A NO-PACKAGE POLICY

Your son's gift for the summer is the privilege of going to camp. He will be coming to camp with everything he needs.

Therefore: No "care packages" of any kind can be accepted for any camper! This includes packages, oversized envelopes, padded envelopes and boxes of any kind. Please let your friends and relatives know about our policy. Packages can create unhealthy competition among campers and can take the emphasis away from the fun, friendships and activities at camp.

In order to ensure fairness, this rule will be strictly enforced. Packages will be refused and sent back to sender at their own expense. If the address is unavailable, contents will be donated to local charity.

We will make every effort to provide your son with anything he needs. If there is something we cannot provide (glasses, etc.) please call the office to arrange for your son to receive these items.

The Exception: Birthdays

If your son has a birthday at camp, please feel free to send one special birthday package to the attention of Fran Shiner that does NOT include any candy, food or gum.

We celebrate birthdays with announcements, Bean Cake, a cabin Dominos Pizza Party (billed to his canteen account) and an all-camp birthday song.

You will also be able set up a special birthday phone call with your son.

We thank you for your kind cooperation and respecting our NO-PACKAGE POLICY.

On Saturday, we have in-camp festivities from 10:00am until 2:00pm. We will begin our day with a morning full of activities, followed by a cookout lunch and an afternoon of fun-filled camp events. Eight week campers must be dropped off at camp no later than 9:00pm.

Detailed information about Visiting Weekend will be sent home at the beginning of July. If you have not already done so, please make lodging arrangements today.

Sorry, NO Pets!

No pets are permitted at camp at any time.

Tipping

Staff members are **NOT** allowed to accept gratuities. Please do not put staff members in a compromising position. The Camp Community

Cabin Placements

We spend a tremendous amount of time working on placing each camper in the cabin group we feel will be the best fit for him. Cabin assignments are done shortly before the campers arrive. Cabin placement is a daunting task and there are many factors that we must consider as we work through the process. We take your suggestions and requests, of course. In addition, we must consider a number of other factors, including personality, group dynamics, geography, years at camp, session and numbers per cabin.

Campers should request 3 cabin mates. We will try and honor at least one of those requests. We value your input into cabin placement, and we also ask for your understanding. Try as we might (and we really do try!), we can't make 100 percent of our campers 100 percent happy with cabin placement. We do our best to accommodate everyone's wishes.

We ask that you trust us to place your son in the cabin in which we feel he will be happiest and most successful and convey this to your children before they come to camp. We have each camper's best interest at heart and we will never knowingly place a camper in a bunk in which he will be unhappy. We do our best to accommodate everyone's wishes. **Please note that we do not accept "dis-requests."**

Your son's cabin will be sent once all campers have arrived on the 1st day of each session.

ALL CABIN REQUESTS MUST BE SUBMITTED ELECTRONICALLY VIA MY CAMPMINDER NO LATER THAN APRIL 15th.

Homesickness

First of all, let us assure you that **mild homesickness is normal**. Even our older, seasoned campers will miss their parents and siblings at some point during the summer! Severe homesickness is rare, but we do expect new campers to be a little emotional about being away from home for the first time. Every child adjusts to being away from home for an extended period of time differently and experiences some degree of homesickness or missing family, friends, and familiar routines.

A parent can help by reassuring their child that they are loved, talking positively about independence and separation, and not promising them that they can call or come home if they are lonesome. Discuss camp in a positive way by discussing living in a cabin with peers or the activities that they may want to take while at camp.

Parents should prepare themselves for separation. Each summer we visit with more "child-sick" parents than we do with homesick campers! Always call us with your concerns about your child's adjustment to camp and be assured that we will call you if we feel it is necessary.

We have one very important request: when you talk with your son about camp, **please do not tell him that he can call home or you will come get him if he is unhappy**. Those promises set your son up to fail at camp. Focus on the positive, be encouraging, and let your son know you will be thinking of him, but don't compromise his summer by offering to bring him home.

You can expect a call within the first four or five days to let you know how he's adjusting, and if there are any bumps along the way we will be sure to fill you in. You can also feel free to call camp at any time to find out how he's doing. We will more than likely be out of the office interacting with campers when you call and we'll get back to you with an update as soon as possible.

Jordan or Alex will call you after the first **4 or 5** days to give you an update on your son's adjustment to camp.

Responsibility and Conduct

It is expected that campers will treat each other and staff with mutual respect; follow the instructions and guidance of their counselors and other staff; stay in cabins between lights-out and wake up; attend and fully participate in scheduled activities and meals; be a team player; treat camp property with respect; and respect others' belongings and personal space.

Failure to live within the expectations of the camp community or abide by the stated policies of the camp could result in immediate dismissal from camp with no tuition refund.

The following behaviors are unacceptable: bullying and other forms of hazing or harassment against campers or staff; pranks; hurting another physically or threatening violence; the use of foul language, name calling, teasing, spreading rumors or exclusionary behavior; and destroying property or stealing from others.

Gambling

Gambling is not permitted at Camp Horseshoe.

Drug, Alcohol and Tobacco Policy

Any camper involved with alcohol or drugs of any kind for any reason whatsoever will be sent home immediately with no tuition refund. Smoking cigarettes, e-cigarettes ("JUULS"), vaporizers, or chewing tobacco is also grounds for dismissal from camp with no tuition refund.

Internet & Social Networking Policy

In this technological age, our concern for the safety and well being of our campers and staff extends outside the security of camp itself. In order to prevent cyber-bullying and inappropriate posting on the Internet which may, potentially, have a negative impact on the reputation of Camp Horseshoe and/or our campers and staff, we have instituted the following policy.

Campers are expected to use good judgment when communicating on the Internet or on any other electronic device. Good judgment on the Internet, as it pertains to camp, means:

Please review our social networking policy with your son:

1. No comments may be posted about campers or their family members.
2. No comments may be posted about staff or their family members.
3. No regular email communications between staff and campers. (Staff members have been instructed not to email campers.)
4. No references may include the name or logo of Camp Horseshoe.
5. No photographs identifying Camp Horseshoe campers or staff may be posted on any website. (Staff has been advised of this as well.)
6. No chat room discussions, that in any way mention Camp Horseshoe are acceptable.
7. No "cyber-bullying" will be permitted in any form.
8. Campers are expected to treat other campers and staff in a positive and respectful manner in all Internet communication vehicles including, but not limited to: instant messages, emails, video chats, blogs, webpages and social networking sites.
9. Campers may not post pictures online that would embarrass or violate anyone's privacy.
10. Campers may not pose as another camper or staff member online or spread false information or gossip about anyone.
11. Campers may not use Internet communication vehicles to bully, harass or intimidate other campers or staff of the camp. These behaviors include, but are not limited to: comments regarding race, religion, sexual orientation or disability; sexually suggestive or demeaning comments; and threats to another person.
12. Never use the Camp Horseshoe logo on social networking sites.

The Directors reserve the right to exclude any camper from camp who violates this policy.

By discussing this policy and issues surrounding the use of the Internet with your children, we hope there will never be an incident where we will have to exclude a child from camp for using poor judgment. If we are proactive we can prevent our children from jeopardizing their camp career because they wrote or posted something inappropriate or hurtful towards another camper on the Internet.
