CAMP HORSESHOE FOR BOYS

FALL 2007

Letter from Jordan

Greetings Horseshoe Families and Campers,

I would like to share a story that happened the other day which still has me smiling. I ran into a camp mom in town and I asked her how her son was doing in his first year of High School. She shared with me that things were going well and that on the first few days of school, for a nervous freshman, how fantastic the older Horseshoe campers had been to him. "A few guys personally showed him to one of his classes" and that generally "The Shoe" guys were a friendly presence in this new environment. It verified to me once again all the good guys we have at camp and that Horseshoe guys look out for one another.

Now that camp has been over for a few weeks and we are all back at school and into our home routine we've had a chance to reflect back on the summer. Horseshoe had another fantastic summer, one of our finest ever and we have you, your families, as well as the entire staff to thank for making it so memorable. It is not always easy to put into words our feeling of gratitude for allowing us to spend the summer with your boys, but do know how lucky we feel to be doing something we love with such supportive, fine families!

Thank you for responding to the survey we sent out. We take your input and comments seriously, as we continue to try and improve camp.

We will try and incorporate your suggestions where we can. We will

We have been fortunate to have such a tremendous return rate of campers each summer. Recruiting has begun and we hope to finish up in most age groups by the end of the

year. We always love adding boys from around the country so if you have friends or relatives interested in camp I'd love to go visit. By the time you receive this I'll already have been in Florida with plans for our NY, Atlanta, Detroit and California reunions just ahead.

We are beginning to work on next summers staff. It looks as if we will have a fantastic return of ex-campers & counselors. We will begin listing them in the next newsletter. Speaking off staff, we couldn't be more pumped than to announce the return of **Kevin Kaminsky** for his 4th summer. Kevin will be an Asst. Director in charge of programming, leagues & athletics. Kevin will also be traveling this winter to staff and camp shows recruit.

We have begun working on projects around camp. The fields are over-seeded and the grass is already

looking incredible awaiting our return. More fountains and increased pressure on the “sweet waters of The Shoe” are planned. We have added another well to give us another place to draw water off of. For all our baseball players, we are adding a batting cage with a jugs machine to work on hitting. You will be able to walk into the cage and take your swings at all times. Stay tuned for other projects to be announced.

We have been running into guys all over town; at school, basketball, lacrosse, football, even Bar Mitzvahs. We love to know what everyone is doing and will report on whom we've seen in the next Review but if we haven't seen you, drop me an e-mail and we'll be sure to put you in the next Shoe Review.

Hail to the Forest!

Jordan
